Thank you so much for your continued support and past participation in the Day of Grace Golf Classic and Charity Auction sponsored by Hope for Trisomy 13 and 18.

The Day of Grace event is in honor of Emma Grace Raulerson, daughter of Matt and Bess Raulerson of Naples, who lived just thirteen days due to complications of Trisomy 18 and Gemma Therese Holihen, daughter of Terry and Courtney Holihen who lived just 52 minutes due to complications of Trisomy 13. Together with your help, we have raised money for research, provided information and support, and funded the Gemma's Bears and Payton's Birthday Bears programs.

This year we are hosting a separate event in honor of Emma's uncle David Howell who was tragically killed January 17, 2010 in a plane crash. He left behind three boys, Austin, Hunter and Alex and this year we have decided to have a separate event during the dinner specifically to benefit the Howell boys. The money raised from the auction will go directly to the boys and depending on your individual situation, may not be tax deductible.

We are asking your help again this year. Please join us this year at our 7th Annual Day of Grace Golf Classic. If you are unable to attend, we would very much appreciate a donation or sponsorship.
